Welcome to the 2019-20 School Year with the ECKCE!

I can't believe that summer has sped by so quickly! I hope you all have had a relaxing and refreshing summer and are as ready to get back to the kids as I am! To that end, there is a change to the original date of the inservice that was on the calendar, due to district inservice dates. We will now be meeting on Tuesday August 13, 2019 from 8:00 to 3:00 at the Intermediate Center in Baldwin to go over the expectations for the year, get some required in service training, get to know each other just a little bit better and get paid for those hours as well. The agenda is attached. Lunch will be on your own from 11:45 to 1:00. Please come prepared to share and receive and kick start this year right!

And of course, with change of the school year comes a few additional changes. You will notice that all employees are again receiving a .20 per hour raise, in addition to moving up the pay scale for experience. We also have some changes to benefits to make them more accessible that we will be going over as well.

If you have any questions for me, please don't hesitate to call or email as I look forward to making this next school year a smooth and successful one. Thanks for all that you do and will do!

Dan
